

The 7th National Conference On Access Management

| | | | A 8:00-9:30 AM | | B 10:00-11:30AM | | C 1:00-2:30 PM | | D 3:00-4:30 PM | E | F Evenings |
|-----------------------------------|----------|---|---|--|---|--|---|--|--|---|---|
| Sunday August 13 th | | | Conference Registration 12:30 PM to 4:30 PM | | | | Chapter 1 : W1 Introduction to the Access Manual | | Chapter 1 : W2 Access Management 101 | | Evening Welcome Reception |
| | | | | | | | Sub-Committee Sessions ADA70 Plazak (Research) | | Sub-Committee Sessions ADA70 Huffman (Outreach) | | 5:00 PM to 7:00 PM Ballroom 4 |
| Monday August 14 th | BALLROOM | 2 | OPENING SESSION Guest Speaker Lt. Gov. Herbert | | Chapter 4 Local and Regional Programs | | Chapter 15 Right-Of-Way and Legal Considerations | | Chapter 7 Land Development and Access | | Free Evening Explore Park City Main Street |
| | | | Tim Boschert Conference Chair | | 22, 23, 47 | | 7, 15, 53 | | 2, 5, 45 | | |
| | | 3 | Carlos Braceras UDOT | | Chapter 3 Developing a State Access Management Program | | Chapter 5 Roadway Classifications and Access Categories | | Chapter 12 Access Permitting | | |
| | | | Key Note Speaker Christine Johnson FHWA | | 1, 8, 14, 29 | | 13, 30, 43 | | 26, 46 | | |
| | | 4 | Arthur Eisdorfer TRB ADA70 | | W3 Dispute Resolution in Access Management | | W4 Land Development and Access Management Strategies | | W5 Corridor Planning ~ Successful Access Management | | |
| Tuesday August 15 th | BALLROOM | 2 | Chapter 6 Corridor Access Management Plans | | Chapter 6 Corridor Access Management Plans | | Chapter 14 Public Involvement in Access Management | | Chapter 13 Internal and Intergovernmental Coordination | | Evening Dinner Event Utah Olympic Sports Park 6:00 PM to 9:30 PM (Buses provided) |
| | | | 40, 44, 51 | | 24, 31, 36 | | 11, 19, 27 | | 6, 32, 52 | | |
| | | 3 | Chapter 8 Access Location | | Chapter 10 Access Design | | Chapter 9 Access Spacing | | Chapter 11 Medians and Continuous TWLTL | | |
| | | | 9, 20, 37 | | 3, 17, 25, 39 | | 21,33, 35 | | 38, 41, 42 | | |
| | | 4 | W6 How to Make Implementation Stick, NCHRP 08-46 | | W7 Successful Public Involvement: "Early and Often" The Key to Success | | W8 Panel "Why Can't We All Get Along Session: State, Local, and Consultant Relations" | | | | |
| Wednesday August 16 th | BALLROOM | 2 | Chapter 2 AHB65 Sponsor "Effects of Access Management" | | | | | | ADA70 TRB Committee on Access Management 1:30 to 4:00 PM | | |
| | | | 4,10, 18, 28 | | | | | | | | |
| | | 3 | AFB10 Sponsor "Access Management for Developed Areas" | | | | | | | | |
| | | | 48, 49, 50 | | | | | | | | |
| | | 4 | W9 A Hitchhikers Guide to the Development of an Access Plan | | | | | | | | |
| | | | | | Closing Session 7 th National Conference on Access Management Council of Wisdom | | Joint Luncheon Committee Members Only ADA70, AFB10, AHB65 Ballroom 4 | | TRB AFB10 & AHB65 Joint Committee Meeting 1:30-2:30 PM | | TRB AFB10 Geometric Design 2:30-4:00 PM TRB AHB65 Operational Effects of Geometrics 2:30-4:00 PM |

Subcommittee Meeting Schedule

ADA70 Access Management ~ Full Committee, Wed. 3/16, 1:30-4:00 PM

ADA70 (2) Research ~ Sunday 8/13 1:00-2:30 PM

ADA70 (3) Outreach

ADA70 (4) Manual ~ 7:00- 8:00 am (breakfast)

AFB10 Geometric Design ~ Full Committee, Wed. 3/16 1:30- 4:00 PM

AFB10 (1) Context Sensitive Design ~ 7:00-8:00 AM (breakfast)

AFB10 (2) Geometry, Safety, & Efficiency ~ 7:00- 8:00 AM (breakfast)

AHB65 Operational Effects of Geometry ~ Full Committee, Wed. 3/16 1:30- 4:00 pm

Session Titles (Access Management Manual Chapters)

- 1 Introduction and Concepts
- 2 Effects of Access Management
- 3 Developing a State Access Management Program
- 4 Local and Regional Programs
- 5 Roadway Classifications and Access Categories
- 6 Corridor Access Management Plans
- 7 Land Development and Access
- 8 Access Location
- 9 Access Spacing
- 10 Access Design
- 11 Medians and Continuous Two-Way Left-Turn Lanes
- 12 Access Permitting
- 13 Internal and Intergovernmental Coordination
- 14 Public Involvements in Access Management
- 15 Right-Of-Way and Legal Considerations

Workshop / Panel Discussion

W1 Introduction to Access Management Manual ~ Vergil Stover, Christine Williams, Art Eisdorfer cover TRB Access Management Manual history, development and outline.

W2 Access Management 101 ~ Gary Sokolow, Phil Demonthenes, & Kristine Williams give working examples from the TRB Access Manual

W3 Dispute Resolution in Access Management ~ Chris Huffman

W4 Land Development and Access Management Strategies ~ Kristine Williams

W5 Corridor Planning ~ A Key to Successful Access Management ~ John Taber, Walt Steinvorth

W6 How to Make Implementation Stick NCHRP08-46, ~ David Rose

W7 Successful Public Involvement: "Early and Often" – The Key to Success ~ Frawley, Eisele

W8 Lowering the Coefficient of Friction: State and Local Government Interactions ~ Panel Discussion Gattis, Hard, Eisele

W9 A Hitchhikers Guide to the Development of an Access Plan ~ Del Huntington, Mark Butorac

Committee Sponsored Presentation Sessions

AFB10 Sponsor "Access Management for Developed Areas" Wednesday 8:00 am

AHB65 Sponsor "Effects of Access Management" Wednesday 8:00 am

7th CONFERENCE on ACCESS MANAGEMENT 8/13-16/06

| Abstract Proposals | | | | | |
|---------------------------|--|---------------------------|------------------|-----------------------|-----------------|
| | Title | Contact(s) | | | |
| 1 | Development of Mississippi's Access Management Program - Lessons Learned | Jeffery C. Altman | Dane Ismart | J. Richard Young, Jr. | |
| 2 | Park City, Utah's SR-248 Access Management for the Olympic Transit Center/Roundabout in Old Town | Bill Baranowski | | | |
| 3 | Traffic Efficiency of Two Non-Traditional Intersections; Superstreet and Through-About | Joe Bared | Kim Taehyeong | Edara Praveen | |
| 4 | Safety Impacts of Access Management Techniques in Utah | Grant Schultz | Jeff Lewis | Tim Boschert | |
| 5 | A Review of Oregon's Innovative Interchange Area Management Plan | Marc A. Butorac | | | |
| 6 | A State of Change - North Carolina's Progress | Laura Cove | Gary C. Faulkner | | |
| 7 | Development of Access Category Systems | Phil Demosthenes | | | |
| 8 | Access Management in Michigan | Tom Doyle | | | |
| 9 | A Model for Heavy Truck Freight Movement at the Intermodal Facilities in the Port of Baltimore | Evangelos I. Kaisar | | | |
| 10 | Driveway Density and Crash Relationship for Rural Two-Lane Highways in Texas | Kay Fitzpatrick | Bill Schneider | | |
| 11 | Rural Access Management - " Innovative Approaches in Expressway to Freeway Conversion" | Darren Fortney | | | |
| 12 | "Not Just Your Run of The Mill and Resurfacing" MDOT's Access Management Efforts as part of Rehabilitation Projects | David Geiger | | | |
| 13 | New Jersey Highway Access Code Reevaluation Study | Jerry Gluck | Matt Lorenz | James Lewis | Neil Longfield |
| 14 | Indiana Statewide Access Management Study | Jerry Gluck | Matt Lorenz | Steve Smith | Dan Buck |
| 15 | Overview of NCHRP Synthesis 35-06 on Access Rights | Del Huntington | | | |
| 16 | Access Management Impacts on Business: Preceived or Real? | Dane Ismart | | | |
| 17 | Traffic Performance of New Jersey Jughandle Intersections in Comparison to Conventional Intersections | Ramanujan Jagannathan | Warren Hughes | Joe Bared | |
| 18 | Safety Performance of New Jersey Jughandle Intersections in Comparison to Conventional Intersections | Ramanujan Jagannathan | Warren Hughes | Joe Bared | |
| 19 | Public Involvement in Access Management: A Primer for Public Involvement Process and Strategies in Access Management | John Bosket | Andrew Johnson | | |
| 20 | Land Use and Access Relationship; Surveying the Landscape | John Bosket | Andrew Johnson | | |
| 21 | Simulation of Access Management Treatments Near Interstate Interchanges | Steven Jones Jr. | Kapil K. Sharma | Michael Anderson | |
| 22 | Corridor X Access Management and Development Plan | Steven Jones Jr. | Steve Ostaseski | Mary G. Lewandowski | Drew Wharton |
| 23 | Main Street on Highways; Preserving the Function of the Roadway while Respecting the Local Vision | Nancy E. Murphy | Harold Lasley | Tracy White | |
| 24 | Corridor Agreements / Plans - South Dakota | Rick Laughlin | Shannon Ausen | Bill Troe | |
| 25 | Design Solutions for the South Tri-State Toll Highway | David McDonald Jr. | | | |
| 26 | HAMS: Highway Access Management System WisDOT | Anurag Mehta | Ron Nohr | Curtis Pulford | |
| 27 | The Vermont Agency of Transportation Access Management Public Outreach Project | Polly McMurty | Clancey | | |
| 28 | Safety Evaluation Right Turn Followed by a U-Turn as an Alternative to Direct Left Turn from Driveways | Fatih Pirinciglu | Jian John Lu | | |
| 29 | Rules and Regulations of Road Access Management in Iran | M. Saffarzadeh | M. Pooryari | | |
| 30 | Implementing Dakota County's Access Spacing Standards | Kristi Sebastian | | | |
| 31 | Access Management Plans in Two Diverse Rural Corridors: Methods Applied and Lessons Learned | Joe Segale | Stephen Lawe | David Saladino | David Pelletier |
| 32 | Shall We Dance?: Achieving Corridor Management through Intergovernmental Cooperation and Coordination | Karen Seggerman | | | |
| 33 | Context Sensitive Design and Access Management | Dr. Nikiforos Stamatiadis | | | |
| 35 | Overview of NCHRP Synthesis 332 on Access Management on Crossroads in the Vicinity of Interchanges | Marc A. Butorac | | | |
| 36 | Interstate Access Modifications: A Corridor Level Approach to FHWA's Eight Points - WSDOT | Karl Westby | Don Peterson | Jim Leonard | Patty Rubstello |
| 37 | Operational Analysis for Interstate Access Modifications - WSDOT | Karl Westby | Grant Zammit | Liana Liu | |
| 38 | Safety Concerns Related to a Rural Expressway: A Case Study of a Non-Access Controlled 4-Lane Divided Roadway | Mark Wooldridge | Marcus Brewer | | |
| 39 | An Unconventional Design for Bus U-Turns at Signalized Intersections | Huaguo Zhou | Larry Hagen | Harkanwal Singh | Pei_Sung Lin |
| 40 | Corridor Policy and Agreement Development | Kristine Williams | | | |

| | | | |
|----|--|-------------------|------------------------------|
| 41 | Context Sensitive Design ~ Medians St. George Blvd. | Brian Christensen | Lee Cabel |
| 42 | Context Sensitive Design ~ Medians | Brian Christensen | Lee Cabel |
| 43 | Auditing An Access Management Policy | Brian Gage | |
| 44 | Urban Interstate, Major Venue and Local Street Access Management – All in One Project | William Seymour | |
| 45 | Long-Term Business and Land Development Impacts of Access Management: Minn. I-394 Case Study | David Plazak | Howard Preston |
| 46 | Utah Department of Transportation Permit Process and On-line Program | Mark Velasquez | Shawn Debenham |
| 47 | Western Snyderville Basin Plan | Jon Nepstad | Kevin Callahan Ryan Hales |
| 48 | Practicing Access Texas Style | Edwin Hard | |
| 49 | Access Management in Ohio, 1998 to present | Dick Sommer | |
| 50 | Selling Medians in Utah | Tim Boschert | |
| 51 | Southern Corridor Agreement US 89/91 | Matt Riffkin | Tom McMurtry |
| 52 | Cache County Utah Access Management Committee | Jeff Gilbert | |
| 53 | Utah Corridor Preservation Funding | Lyle McMillan | |
